RESEARCH INTERESTS

Computer Vision - Artificial Intelligence (AI/ML) - AI in Healthcare - Multimodal AI - LLM

EDUCATION

East West University

Feb 2021 – Jan 2025

B.Sc. in Computer Science & Engineering

Department of Computer Science and Engineering

CGPA: 3.39/4.00

Capstone: *Autism Spectrum Analyzer: A decision support platform to treat ASD*

Supervisor: Rashedul Amin Tuhin, Senior Lecturer, East West University

PROFESSIONAL EXPERIENCE

European University of Bangladesh (EUB)

Dhaka, Bangladesh

Lecturer, Department of Computer Science and Engineering

August 2025 – Present

Courses Taught: Artificial Intelligence, Database Management System, Operating Systems

- Delivered lectures and designed assessments for undergraduate courses to enhance conceptual understanding.
- Supervised lab sessions, ensuring practical application of theoretical knowledge.

TechSfera

Dhaka, Bangladesh

Software Engineer

June 2024 – July 2026

- Developed responsive user interfaces using React.js.
- Improved application performance and ensured cross-device compatibility.
- Collaborated with backend teams for full-stack application development.

PUBLICATIONS

Conference Papers

- **Automatic Detection of Pumpkin Leaf Diseases Using Transfer Learning and a Custom Dataset from Bangladesh**

Authors: Biswas, **Ar Rafiul Islam Rafim**, Tithi Paul, Md Miskat Hossain, SM Nazmul Hasan, Mohammad Rifat Ahmmad Rashid, Taslima Akter Sathi

2024 IEEE International Conference on Computing, Applications and Systems (COMPAS).

DOI: 10.1109/COMPAS60761.2024.10796774

- **ET-AMAF: Adaptive Multi-View Transformer for Banknote Detection**

Authors: Abhijit Kumar Ghosh, **Ar Rafiul Islam Rafim**, Moynul Islam Mahi, Sumaiya Tabassum Lamia, Anika Islam, Saud Yeahhea Al Rahul, Montaser Abdul Quader, Sahal Bin Saad

IEEE SPICSCON 2026 (IEEE International Conference on Signal Processing, Information, Communication and Systems).

Status: Accepted

Journal Papers

- **Gated Dual-Scale Feature Fusion for Colorectal Cancer Grading in Centralized and Federated Learning**

Authors: Abhijit Kumar Ghosh, **Ar Rafiul Islam Rafim**, Dr Fahmid Al Farid, Tanvir Ahmed Limon, Enam Ahmed Taufik, Dr Jia Uddin, Dr Hezerul Bin Abdul Karim

Biomedical Signal Processing and Control

Status: Under Review

ACADEMIC SERVICE

Conference Paper Reviewer, IndabaX Nigeria 2026 Conference

- Reviewed manuscripts in Multimodal AI, Medical AI, Computer Vision, and Deep Learning.
- Evaluated submissions based on research novelty, methodology, experimental validation, and technical contribution.

PROJECTS

Autism Spectrum Analyser (Spectalyzer)

- Developed a web-based decision support platform to analyze behavioral patterns of autistic children.
- Implemented using React.js, Node.js, Express.js, and MongoDB.
- Integrated secure authentication and visualization features.

SUPERVISION & MENTORING

Final Year Project Supervision, European University of Bangladesh

2025 – Present

- **Identifying ICO Scams and Protecting Investors Using Decentralized On-Chain Evidence**
Students: Md Rasel Mahmud, Mst Suhada Akter Farjana
- **Automated X-ray Bone Fracture Classification Using Deep Learning Techniques**
Students: Joba Kundu, Md. Ibrahim Mia, Jabin Tasmin, Aminur Rahman, Sulaiman Hossain

AWARDS & SCHOLARSHIPS

Medhalalon Scholarship

Spring 2024 – Fall 2024

- Merit-based university scholarship awarded for academic performance during undergraduate studies.

SELECTED COURSES

Bachelor's Courses

- | | |
|---|---------------------------------------|
| • Algorithms | • Artificial Intelligence |
| • Data Structures | • Computer & Cyber Security |
| • Linear Algebra and Complex Variables | • Green Computing |
| • Coordinate Geometry & Vector Analysis | • Advanced Database Management System |

TECHNICAL SKILLS

- **Programming:** Python, JavaScript
- **ML Frameworks:** PyTorch, TensorFlow, Scikit-learn, Keras, NumPy, Pandas, Matplotlib, NLTK
- **Technical Skills:** Data Visualization, Data Preprocessing, Analysis and Modeling
- **Documentation:** Zotero, $\text{\LaTeX}$
- **Database:** MySQL, MongoDB
- **Soft Skills:** Communication, Public Speaking, Team Leadership, Collaboration
